Select Projects

fossora, Björk 2022
Built a lush, labyrinthine virtual environment for the Grammy-nominated album.

Venn Diagramm 2022 – Ongoing
Co-founded and co-operate the experimental publishing initiative. Work for Venn Diagramm has appeared at Press Play and in New York Magazine.

Print Design Refresh, The New York Times 2020 – 2022
Worked with the Directors of Print Design to codify the visual vocabulary of the print newspaper, introducing new visual storytelling tools and improving existing ones.

Acuity Scheduling Rebrand and Relaunch, Squarespace 2023 – 2024
For Squarespace's scheduling arm, designed an identity that responds dynamically to the passage of time. Helped launch the new visual voice with a global campaign.

A Community is a Garden, The Guggenheim Museum 2020
Designed, co-wrote, and researched an open-access toolkit for climate action.

Experience

Independent Practice 2016 – present
Interdisciplinary work across design, art direction, and creative coding, specializing in culturally and civically engaged work. Clients include Princeton University, Phillip Johnson's Glass House, The Baffler, and the Undocumented Migration Project.

Visual Designer, Squarespace 2022 – 2024
Versatile contributor to the brand design team, owning or co-owning identities, campaigns, collateral, digital interfaces, photoshoots, and artist collaborations.

Designer and Art Director, The New York Times 2020 – 2022
Worked on design and art direction for the newspaper, collaborating across the newsroom to build layouts and commission illustrations for print and digital usage.

Designer, The Creative Independent 2020 – 2022
Web design and special projects for The Creative Independent, a repository of advice for creative people. Continued freelance collaboration since 2022.

Practicum Researcher, The Guggenheim Museum 2020
Participant in the Guggenheim Museum's inaugural research practicum, focusing on social good, sustainability, and creative practice for grassroots change.
